## **GREETING MESSAGE**

*Distinguished Colleagues, Dear Friends,*

*It is a great pleasure as well as an honor for me to invite you to the 10th International Congress of Update in Cardiology and Cardiovascular Surgery (UCCVS) which will be held on March 13 - 16, 2014 at Kaya Palazzo Congress Center in Antalya/ Turkey.*

*As usual, UCCVS Congress will run in 3 main halls with an ultra interactive scientific program with live transmissions of interventional cardiology procedures and cardiovascular operations from national and international cathlabs and ORs.*

*I am proud of to announce that EACTS Day directed by Prof. Jose Pomar, Prof. Pieter Kappetein, Prof. Paul Sergeant and Prof. Marko Turina will be held for the first time during 10th UCCVS Congress.*

*International Forum of Arrhythmia (IFA), Interventional Cardiology Mediterranean (IC-Med), Valve Summit (VS), Academy of Vascular and Endovascular Surgery (AVES), Adult Congenital Heart Summit (CHS) will be the glittering parts of the scientific program.*

*All abstracts that are accepted to our congress will be published in the supplement of "Heart Surgery Forum and International Journal of Cardiology" with respect to the participants preference. Participants also will get remarkable CME and EBAC points by attending the scientific program.*

*The scientific platform, distinguish faculty, extraordinary scientific program , attractive social activities and the legendary historical and natural beauty of the congress venue are some great reasons to attend to the 10th Congress of Update in Cardiology and Cardiovascular Surgery.*

*We look forward to welcoming you in Antalya.*

*Best Regards,*

*Prof. Oztekin OTO, MD, FESC, FACC  
President of Congress*
